COMPLIANCE with Regulations

- GSA has partnered with the Environmental Protection Agency (EPA) and the Department of Energy (DOE) to offer the federal community a broad range of energy efficient products and services. GSA contracting experts have worked hard to revise purchasing documents to accommodate minimum recycled content levels established by EPA. The DOD is mandated to follow all Federal Regulations. When customers buy these products and services from GSA, over 10 million supplies and services are on contract to choose from, and you are meeting the procurement requirements established by the Resource Conservation and Recovery Act (RCRA) Section 6002, the Federal Acquisition Regulation (FAR) Subpart 23.2 through 8, Executive Order 13101, Executive Order 13123, and Executive Order 13221.
